

We are writing to invite you to USAID's upcoming conference in Belgrade. The conference is scheduled to take place June 14-15 under the theme "Regional Economic Integration for SE Europe." This will be a unique opportunity to coordinate USAID's economic development efforts throughout the region, and more informally, to network and share tips & success stories with colleagues from several countries.

To facilitate the planning of this event, we ask that you register as soon as possible. If you are uncertain of your availability for this time period, just register tentatively and advise us of your intent on a later date. In order to ensure no vital information is overlooked, we have developed the attached registration form. Please fill out the requested information, and return it to us by the end of the week via email or fax.

Thank you in advance for your attention in this matter.
