USAID
FROM THE AMERICAN PEOPLE

Our Mission

The mission of the EG office is to:

- provide technical leadership and field support to promote prosperous and competitive economies in the region
- address cross-cutting regional issues that cannot be adequately dealt with on a bilateral basis

USAID
FROM THE AMERICAN PEOPLE

EG Results Framework

Assistance Objective: Broad-based, inclusive, and sustainable economic growth and integration in the E&E region promoted, consistent with the transition to low-carbon economies

IR1: Increased Financial Sector stability, growth and inclusion

IR2: Increased Private Sector Competitiveness

IR3: Enhanced Energy Security and the Transition to a Sustainable Energy Community

IR4: Improved Environmental Stewardship and Capability to Respond to Climate Change

IR5: Support to E&E Mission EG Offices

IR6: Legacy and Sustainability

USAID
